SPHERICAL WELD TEES

ANSI 300

ANSI 300 Spherical Weld Tees	
Nominal Size	Part Number
2"	0200-0740S-0000
3"	0300-0740S-0000
4"	0400-0740S-0000
6"	0600-0740S-0000
8"	0800-0740S-0000
10"	1000-0740S-0000
12"	1200-0740S-0000

Valve to Fitting Adapters	
Nominal Size	Part Number
4"	0400-0285A-0010
6"	0600-0285A-0010
8"	0800-0285A-0010
10"	1000-0285A-0010
12"	1200-0285A-0010
6" x 8"	0608-0285A-0010

MTD Spherical Weld Tees are manufactured under and ISO 9001-compliant quality management system. Each fitting is designed, manufactured, and tested to be used on pipelines operating in accordance with ASME B31.8 and DOT 192. All welding and inspection is performed per API 1104 and ASME section IX.

- ANSI 300: 740 PSI @ 100°F ~ 675 PSI @ 180°F
- Compatible with existing plugging and stopping equipment
- 2" & 3" threaded solid plug and threaded cap
- 4" - 12" flanged with completion plug, o-ring, blind flange and cap screws.
- Low profile: side or bottom outlet

Spare ANSI 300 O-Rings	
Nominal Size	Part Number
2"	9000-0200P-0000
3"	9000-0300P-0000
4"	9000-0400P-0000
6"	9000-0600P-0000
8"	9000-0800P-0000
10"	9000-1000P-0000
12"	9000-1200P-0000

**Plug setting pressure limited to pressure rating of completion machine*
